# Evaluation Plan Aims

The Evaluation Plan is aimed at defining the organisational and procedural framework of evaluation of SF policies and funded interventions (ERDF) and by the Fund for Underutilised Areas (FAS), respectively within Research & Competitiveness NOP and FAS National Implementation Programmes (as follows *Programmes*).

# Evaluation Plan Governance

# Evaluation Plan Manager

- **Presides and coordinates the Evaluation Coordination and Pilot Group**
- **Coordinates the Evaluation Plan draw-up**
- **Organises partnership activities aimed at identifying evaluation issues and applications**
- **Promotes the Evaluation Plan periodical updating**
- **Reports to the Monitoring Committee and the Steering and Implementation Committee, promoting dissemination of evaluation results**

# Evaluation Coordination and Pilot Group (CPV Group)

The Evaluation Coordination and Pilot Group can operate through plenary or restricted sessions.

The CPV Group in plenary sessions is called to perform a Plan piloting function with exclusive competences of the evaluation process strategic orientation

The CPV Group in restricted session is in charge of coordination activities via operative functions of support to the Evaluation Plan Manager.

# The CPV Group - Plenary Session

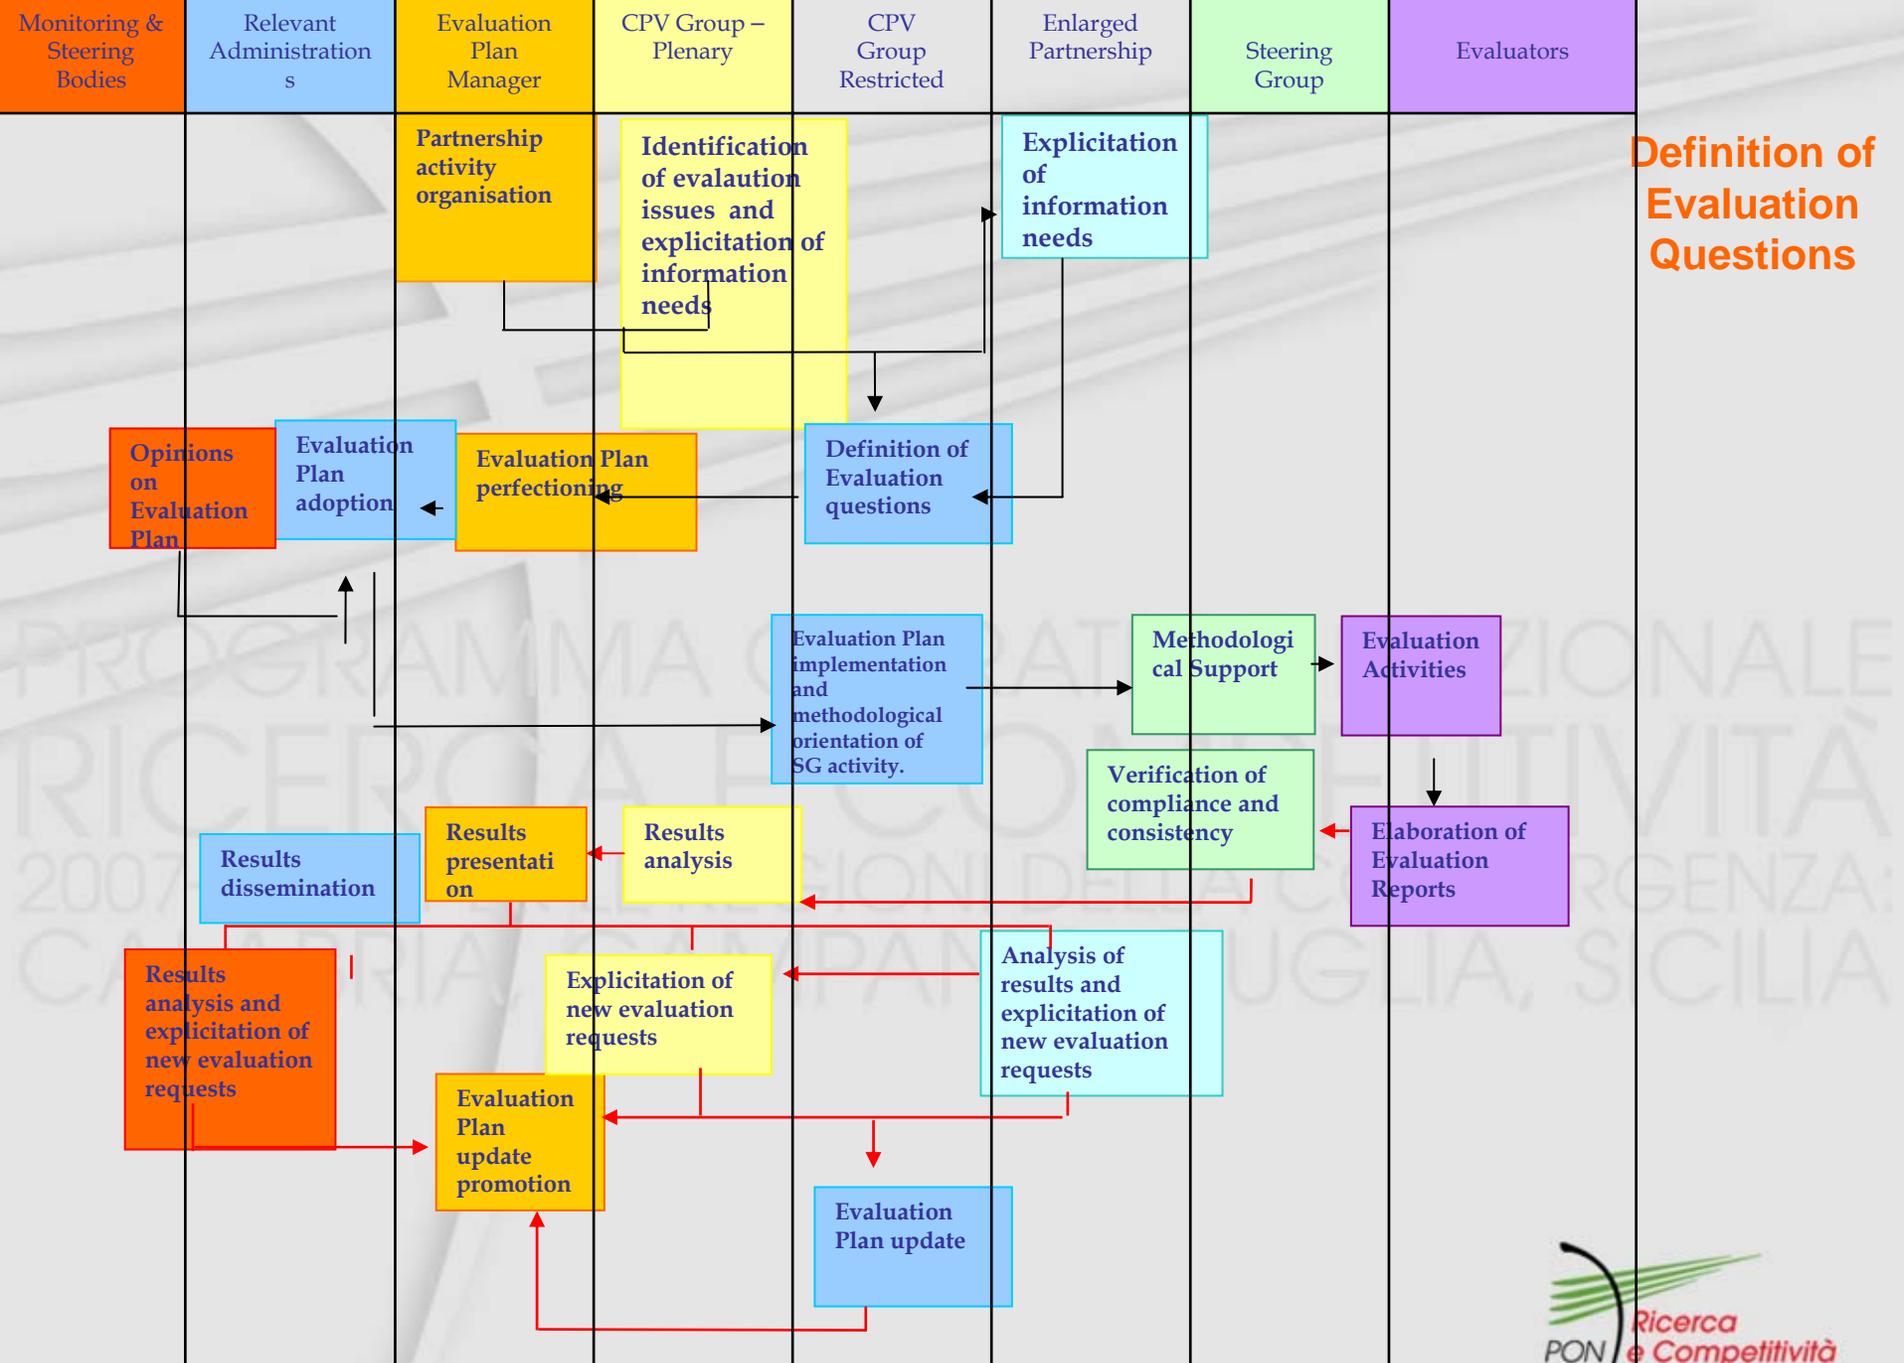

- **Sidens the Evaluation Plan Manager in performing partnership activities aimed at fulfilling information needs of *Programmes Administrations* and stakeholders.**
- **Identifies evaluation issues.**
- **Supports the Plan Manager in results analysis and related dissemination.**

# The CPV Group - Restricted Session

- Collaborates to Evaluation Plan draw-up
- Elaborates evaluation questions
- Implements the Evaluation Plan, supporting the activity performed by the Pilot Group of single evaluations (Steering Group)
- Draws up the evaluation mandate and/or dossier, and selects evaluators
- Transfers Evaluation Plan strategic orientations to Steering Groups, in order to ensure unitary evaluation approach
- Updates the evaluation questions on the basis of Programmes progressive implementation and outcomes of the evaluation activity implemented.

# Single Evaluations Pilot Groups

- Set up the evaluation process, compliantly with the overall Evaluation Plan provisions
- Interact with evaluators to transfer information functional to evaluation activities
- Agree with evaluators on the methodologies to be employed within evaluation
- Verify consistency of the activity performed by evaluators versus evaluation dossier/mandate
- Ensure compliance with rules and timing for production of evaluation reports

# Definition of Evaluation Questions

# Thank you for your attention!
